

Some other ideas!

Before the end of October I want to add a trip to the **Eastern Cape** and **LALIBELA**. This is a luxury game reserve outside of Port Elizabeth. They offer a Special Luxury Rail, Flight and Safari Package from 10/4—31/10. So watch this space!

I will also plan Saturday trips to the **various markets around the city** and would like to add, a **theatre/dinner evening** as well!

Add to **this a couple of week-ends away** and the year will be over before we know it!

With only recently returning to my desk after a wonderful holiday, I was unable to finalize all arrangements. I ask that you telephone me with the tours you are interested in, and as soon as I am able, I will get the various brochures delivered to your door!

To end, 2 photos of the devastation in the **Agulhas National Park**. Brian and I spent a somber day with Derick Burger. He is totally shocked at the destruction in the park. Springfield, where we visited in 2008, was saved, bar one building with a thatched roof! Sadly Dianna Durant passed away six months ago but Piet Van As is still the caretaker of the property. It was good to see him again!

Agulhas Park fire (December)	4

Thirty five of us boarded a coach on Saturday 12th December to **Stellenbosch**.

When we stepped out of the coach we felt we were going into a sauna. With global warming it seems we are going to have to get used to hotter days!

The **Slow Food market** was enticing especially to those who had left home with not having eaten too much. Eventually most decided lunch was only a while away and that it would be wise to wait!

The Volkskombuis worked efficiently and we were out of there speedily.

Delheim under the grapevines with views of Table Mountain in the hazy distance was a super place to enjoy mains. Dessert was at **Pane e Vino** and we only got there at 4.30 pm which made for a long, exciting day!

DESERT EXPRESS to Northern Namibia

I have managed to book 9 compartments on this luxury train for a Seven day tour of the North Namibia. Two nights in accommodation in Etosha otherwise the other nights you sleep on the train! To ensure I am able to secure this accommodation I will need commitment by the end of January. Please telephone me and I will get the brochures to you. *Incidentally in comparing the cost of 'coaching across' the North of Namibia this is, by far, a better option!*
