Knysna 2009

Twenty three of us spent **5 days** over the long week at the end of September in Knysna. Our journey was made more comfortable because we traveled in style in a 44seater coach.

Gastronomica was the main

focus that started the planning but I believe there were MANY more highlights in the trip.

Highlights were:

- * **Kilzer's Kitchen.** A live "You Look We Cook" experience.
- * The sharing of the **luxurious houses** with friendships being cemented!
- * The attempted **hi-jacking of a Pickfords vehicle** to take our shopping home after the market.
- * The ride up to the **Heads in a local taxi.** Wow what a ride they all had!

Progressive Lunch Saturday 12th December

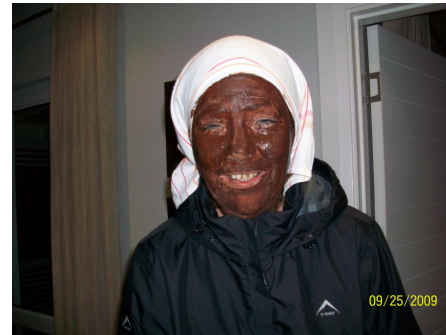

Planning is well underway for this trip in December. I just needed to add finishing touches to the planning but was pressed to get this newsletter out.

More details in the November newsletter.

Knysna report back

Sophie Nkosi has applied to become a member of Time Out. She was interviewed by Gillie at an ungodly hour, when she came knocking at her door.

I believe it only fair that everyone should have a say. **YOU HAVE BEEN WARNED!**

New membership application. Objections must be raised in triplicate by Monday 26th October.
