**OCTOBER 27 IS 'ROSE DAY' @ LANGKLOOF**

October in the Western Cape is known as ROSE MONTH.

This is evident in the many garden shows around our area.

I have followed with interest the Langkloof Farm outside Wellington. They have over 1500 roses in bloom ; their ladies go in the fields early in the morning and pick roses and package them in brown paper; so you will have roses to bring home with 'as they say' - a Vintage-Farm-Feel! Brian and I visited the farm and found a real treasure. The farm is predominately a wedding venue so they have their own chapel; a manor house where the weddings are held and a quaint vintage tea room that feels so 'gesellig' ('at home').

**LANGKLOOF does not have a permanent chef on-site and they use the services of a Wellington lady to prepare their meals - as Adelaine (who works there) told me "Delicious Farm Food". It would, therefore, be difficult to offer you a reduced price on this meal. It will be a buffet type lunch.**

**COST OF THE DAY TO LANGKLOOF will be R320 per person and will include your transport, lunch and a single rose for each of you to take home! (Additional roses will be available to purchase)**

**BOOKINGS BY MONDAY 17TH OCTOBER and PAYMENTS BY FRIDAY 21ST OCTOBER.**

ERIKA WITH HER 'BEACH' TREASURE

*A Great day to enjoy our City and Friends*

A HUG ALWAYS FEELS GOOD

Our day at the end of September started off very overcast. This did not stop some of the ladies enjoying a beach walk. Others stood around on the beach front catching up with each other. There was a bit of a somber mood - it was the day after the horrific shark attack and our coach driver spoke to a young guy and one could almost feel his fear for the sea after this attack. It teaches us "How small man is"! From the beach we went shopping - there were goose eggs @ R18 a shot; delicious cheeses; and Joy found a treasure for her patio! Of course Compass Bakery were delighted when the Time Out Ladies Club came to their store. Luckily it was 'pensioners day' so their tills were kept very busy. After this we headed to Noordhoek Farm Village and Café Roux for lunch. We had a super lunch!

**HIGHLIGHTS OF OUR KOMMETJIE/NOORDHOEK TOUR**

*On the left happy Belinda brought along her truffles. They are delicious and we trust that Belinda can find a permanent market to expose them to! On the right, Mary Honeybun came to lunch as well—it was fantastic to catch up with her!*

Our coach driver, Andre, took us over Boyes Drive on the way back to Constantia. This was a treat. We drove ever-so-slowly being told by Andre that even though the traffic was building up he was proving that Hylton Ross does operate 'exclusive tours'! We saw a mother whale and her calf frolicking very close to shore, and, once again the 'morgue' of the sea was a bit disturbing after the shark attack. I wonder how all the Capetonian surfers are coping now that it is school holidays AND the beaches remain closed! Oh well, - BETTER-SAFE-THAN-SORRY! Thanks ladies

## GARDEN TOUR & CHRISTMAS LUNCH

Artist Sharland East-Urguhart has a garden in Bishops Court that is like a magnificent painting brought to life. "Passionate, dedicated and unconventional with a taste for adventure and a love of life" is how Sharland is described on her website. She will serve us coffee and cake in her garden and you will have ample time to take a stroll through the garden.

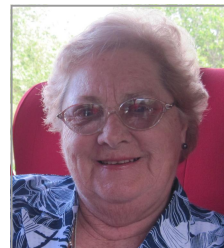

Sharland also has an outstanding studio where she teaches art and this will be open to you to view. So come along and get inspiration for all those hours you will have available over the Christmas holidays!

I am still finalizing the lunch we will have after our garden visit.

**More details in the November/December newsletter.**

### NEW MEMBER

A very warm welcome to **MAXI NUNES** who has recently joined the Time Out Ladies Club.

Maxi, we trust you will make many new friends and enjoy the Western Cape with us.

### REDUCED PRICE MEALS

I always strive to bring you the best possible priced day-out I can. Our transport takes a huge chunk of what you pay for the day. I am extremely happy with the service that **Hylton Ross** offers me and am loathe to change to a cheaper coach company. If ever the need arises with a problem with the coach (and I must say I can count these on one hand over our 215 tours we've done) they come to the rescue immediately! Where possible I will appeal to the restaurants to reduce your costs by offering you a **MAIN ONLY** or a **TWO COURSE** for those of you that prefer this option. Our September outing worked well!!

### BREAD TAGS

**Mary Honeybun** is doing a fantastic job of collecting the bread tags and what started off as a few hours work a day seems to be gathering momentum and now keeps Mary extremely busy. Mary, we all miss you on our regular coach tours, but realize that coming out on the coaches is not easy for you. Keep up the wonderful work.....we are so very proud of you. It is always fantastic to keep up with the news of how you are doing. So Please Keep In Touch!

### TRUFFLES

I feel sure you will agree with me that the truffles that Belinda makes are delicious. Now that Christmas is coming, if there is anyway that you think you might be able to help Belinda with the sale of her truffles please give her a call to arrange this - **072 877 1455**.

Thank you.

Belinda has been battling to find work and really needs to supplement her income.
