HILDEBRAND
@ THE
WATERFRONT

Prepare to have a busy day. I have permission to visit **Cape Talk studios**. (Radio Station). We will be there from 10h00 - 11h00. I'm not yet sure who will be on duty, but the lady did mention **Aiden Thomas**. We will then head down to the **Wheel of Excellence**, the new attraction at the **V&A Waterfront**. The Wheel, which is very much like the UK's London Eye is changing the Mother City's skyline. You can savor a panoramic bird's eye view of our city. There are 36 fully-enclosed cabins and the ride is a 15 minute trip. After this we will have lunch at the **Hildebrand Restaurant** at the Waterfront. *(Changed from The Docks Restaurant for various reasons!)*

The coach for the trip on Thursday 19th August will leave Constantia at 08h30 and Tableview at 09h15.

PLEASE NOTE SLIGHTLY EARLIER TIMES (This is to make sure that we are on time for our radio station visit).

Book by Wednesday 12th August and payments by Monday 16th August.

Cost for the day is R320 which includes your transport and lunch at the Hildebrand Restaurant.

I have not included the Wheel of Excellence in the price.

This will be an extra cost of R70 which is a group price (Normally R80)

(Make sure you have the extra cash with you for the Wheel ride!)

REPORT: TIME OUT IS TEN

On the **29th July** seventy guests celebrated the **Tenth birthday of the Time Out Ladies Club**. It was a day filled with anticipation. The **Lanzerac Hotel**, besides being a gracious old hotel, pulled out all stops as far as hosting went. The buffet table groaned, **Wilken and Joachim** entertained the guests with pizzazz, **Brian** did his usual par excellence presentation of the 10 years and the gifts kept coming! Everyone went home with arms laden. The thank you messages that rolled in were testimony to how everyone enjoyed the day. I sincerely thank you all for the part you played in the day. We missed several of our members who were away on holiday.

**Happiness keeps us sweet
Trials keep us strong
Failures keep us humble.
Success keeps us glowing**

But only Time Out and Traveltime keep us GOING

Thank you for the kind words of Note!

TIME TO EXPLORE WELLINGTON

I believe it is high time that we took a trip to Wellington. I have been reading of The **Grand Dedale Guest House** on the **Doolhof Estate**, very close to Bains Kloof. They offer guests an exclusive brand of elegant country living, on a par

with the best privately owned country houses in Europe. Renovations were only completed in September 2009.

I also want to try to get us in at **Buffalo Ridge** who make an unique Buffalo Mozzarella which connoisseurs of this cheese are raving about. When I'm back from Namibia, I will do my usual 'recce' and report on the trip in the September newsletter.

Meanwhile please diarize this date

Thursday
28th October

LET'S EXPLORE THE BEACH

The weather should be a bit warmer this month- and I have always been fascinated by the developments at **Jabobsbaai**.

I have a lot of research to do. There are artists to explore; there is as far as I know only one little shop called **Die Winkeltjie**; one restaurant called **Die Weskusplek**.

Watch this space another recce is necessary and hopefully I will come up with an interesting day for us all to enjoy!
