

## WEST COAST ART 2012

WEDNESDAY 8TH TO SATURDAY 11TH FEBRUARY (4 DAY)

For the benefit of those who didn't join our group last year, a bit of history is appropriate. 160kms from Cape Town lies the little hamlet village of **Jacobsbaai**. It is a fisherman's haven with the azure Atlantic Ocean providing an abundance of seafood, like crayfish, hottentot, galjoen and black mussels.

It is also the home of **DENIS HILTON LEES**, a professional artist and art teacher. He teaches art to adults at his home studio, is the vice chairman of the West Coast Arts Guild, and exhibits his work at various

galleries. Denis was born in Zimbabwe and grew up in JHB. He studied art and design at the University of the Witwatersrand. After JHB he moved to Knysna where he opened an art school and taught art to high school pupils and adults. He was also the head of the Art Department at Oakhill High School during this time. He has lived on the West Coast for 5 years, and before this he had a very successful art school for adults in Cape Town called **Art & Coolq**

**"Life is all about balance. I feel balanced living on the West Coast"**

Denis has put together a 4 session package which guides us in completing our first two masterpieces

### Wednesday 8th February

As always the Hylton Ross team will collect you at your home for onward travel with the rest of the group. A late breakfast will be enjoyed at the **Kaiijaiki Restaurant** in Yzserfontein.

We need to be in Jacobsbaai for our **first art lesson** at 13h00 and will then check into our accommodation around 5pm. There are several options for our accommodation where we will be sharing a number of houses, and will include your breakfast every day. Dinner tonight will be in-house at Whispering Whale Guest House where

**Leentjie** will serve us a Traditional West Coast **Boerekos** dinner. Fresh sea air should result in a good rest tonight.

### Thursday 9th February

After a hearty breakfast we will head back to Denis for the continuation of our art lessons; our **second session** is from 9h00 to 12h30. A light lunch will be served at Die Herberg where our art lessons will be held. Our **third session** of art will start again at 13h30 and finish around 17h00. Dinner tonight will be in Langebaan at **Pearly's** on the Langebaan beachfront!
