REPORT: DE GRENDDEL OUTING

Our ladies were entertained by Sir David and Lady Sally Graaff at the De Grendel Main House on Thursday 25th April. Sir David recalled some of the family history - there was a wonderful photo collection of the history of the property on display. We were treated to tea/coffee, sandwiches and

cake! We met Karen Slater whose husband is the dairy farmer on the farm. She has started making yoghurt which she now sells to Melissas, Spar shops. It is really delicious.

Lunch was at Our Place in Durbanville. After arriving there in temperatures of early 30's we were all drained. Thank goodness we sat outside under the large trees which was refreshing!

COME TO RIEBEEK KASTEEL

Initially I had the idea to take you all to Intaka Island. When we had a few cold and wet days in early April I went into panic mode!

I have changed our trip on Thursday 30th May to RIEBEEK KASTEEL.

On arrival in the little town you will have the chance to

- Visit Wicked Treats (home of Tony and Liesel) it is referred to as 'Alice in Wonderland's bakery'!
- Crisp - an olde world style grocery store & deli
- Amanda's Artist Café & Kloovenberg for olive tasting.

Lunch will be at Kasteelberg Inn & Bistro which Allan Barnard of Radio fame and his partner run. Come along for a good day out in country only 86 kms from the city!

COST for the day is R325
which includes your transport and lunch.

ALONG THE THE DEVON VALLEY ROAD

What do you know about the Devon Valley, outside Stellenbosch. I recently read of this young couple who came to live in Stellenbosch and bought property including a stud farm. **Brennaissance** is the name of this new restaurant where Tom and Hayley renovated a chapel so they could get married there and the rest, as they say, is history! Lunch will be at their new restaurant.

TIME OUT IS 13.....

If you are in anyway superstitious you will tell me 13 is unlucky.....I am telling you that the 13th Anniversary of The Time Out Ladies Club signals the start of better-things-to-come!

Thirteen reasons why today is going to be different

- Our club has not celebrated this year before (13)
- None of you have ever gone out on Thursday 25th July 2013 before
- You won't know where you are going!! (AGAIN)
- You won't have a clue what I am going to order for lunch
- You won't know if you are going to win a lucky prize!
- Did you know 13 is one more than 12 & equivalent to the sum of 6+7??
- Hey I've listed 6 reasons why and I've **RUN OUT-OF-SPACE!!**
- **Why don't you book and find out the other reasons why you should not miss this day.....**

BITS & PIECES

I have already been offered a few gifts to hand out to the day of our **anniversary lunch** (Thursday 25th July). Please remember if you are able to help, gather any gifts from family or friends who are involved in business; store vouchers; lunch vouchers from your favorite restaurant; arts & crafts etc. Brian suggested perhaps a donated car; or an overseas holiday—this is all part of the fun of a 13th anniversary!!); **IN FACT ANYTHING** will be gladly accepted. I would like to receive all donations by mid-July so it does give you time to give some thought to add to the gifts. I will also try to obtain from my regular sponsors
