OUR DAY IN GREYTON *October*

Our day to Greyton started off with rain in the city which had dire consequences with the traffic. This made us late for our L.O.N.G. trip to Greyton. The dismay at being late was quickly lost when we viewed the two gorgeous gardens which had been arranged for us! A bit of retail therapy and then a 10km drive out to The Oaks Estate where a L.O.N.G. table had been set for us to enjoy their lunch. A delicious tomato soup with bread sticks followed by a cold platter with chicken pie and interesting vegetables with a delicious apple pie completed our experience. A day out in the country is always refreshing and it was wonderful to see all the blue cranes, sheep and cows—this restored our souls before, once again, we hit peak traffic in the city!

At our anniversary lunch Barbi Bretherton won the Hylton Ross Voucher (Full day Wine Route Tour for 2) and not being able to use it before it expired, Barbi handed the voucher back to me. We organized a draw today for anyone interested and Hilda Bruwer had the fortune to win it. ENJOY your trip, Hilda!

END-OF-YEAR CELEBRATIONS...

If you don't know it yet, 2013 is almost finished. Come along to Wellington to celebrate the last TIME OUT trip for the year! This trip was motivated by a visit Brian and I did a few months ago, & then endorsed by Cecelia (who had also visited) and Bridget (whose daughter has her wedding on the estate in early November). The **FESTA restaurant** on the Kleine Valleij Estate has stunning views and the new owners have tried to create a homely feel in this converted barn!

En route to lunch we will stop @ **Pacmar Juice Factory**. (They make the Zing/Wilde Juices) - sold at reasonable prices. **The Glodina Factory shop** will also be on the cards (time to buy new swimming towels for summer!)

RULES FOR THE DAY

- Wear **RED** in your hair, on your body
OR as an accessory
- Bring along a gift (**value R50**) to swap with someone
—it is a challenge to buy something to this value,
but you CAN do IT!)

THE FESTA RESTAURANT IS FAMOUS

TIME TO STAY L.O.C.A.L.

To start 2013 off quietly I thought I'd arrange a visit to a new place just off the N1 near Cape Gate in the Industrial area. It's called **BOERE SJIEK**. Based in the Northern Suburbs their passion is to show off the "Sjiek" side of life with their décor ; jewelry ; gifts ; soft goods; delicious cakes and coffee and tea!

After this we take the coach into the V&A Waterfront. Time Out was last in the Waterfront in August 2003 when we enjoyed our 3rd birthday celebration at the Hildebrand Restaurant! The V&A Waterfront now has an exciting new **MARKET ON THE WHARF**. There is a great variety of different foods available, and today I am going to let you choose what you want to eat!

Cost of this trip which includes your Transport and cup cake with coffee/tea at Boere Sjiek is R290. (Your lunch at the Market on the Wharf is not included as it will be difficult for me to handle the individual payments as you might choose anything from Indian to Thai or just something light after your morning tea! (It should not cost more than R60 from the various vendors).

AND TABLEVIEW AT 09H30**

NOTE:

I have brought the date forward by ONE WEEK—this is because the last Time Out trip in 2013 is on the 28th November & it seemed SO long 'til the end of January...

I often have a few open seats on the coach and in 2014 I would like to be able to offer a seat to some deserving ladies at no cost to them! Kindly let me have the names of anyone you know who might love a day out (including lunch) and I will contact them.
