DAY OUT IN STELLENBOSCH

When the coach arrived in Stellenbosch, the ladies were given an hour to 'do' the town! Amazing how much, some of them managed to fit into this little time! **Oom Samie se Winkel** seemed popular; **The Wild Peacock Deli** another popular stop; but perhaps the best find was the **bakery** behind the Dorp Street Gallery, where everyone dashed in to buy a loaf to take home. Lunch at **Towerbosch** was fantastic! "**Supa-dupa**" is how one lady described it - and I don't believe I have better words than this for

Amazing how good
two pumpkins
can look!!
@ Right is
Towerbosch
in its glory!

CHRISTMAS TIME IN WELLINGTON

Some of you might remember Jenny Ferreira's garden! Jenny lives in Wellington and has a show garden. Tea and coffee in her garden will be a treat! You will have time to wander the garden; and relax with friends! Always important before we head into the rush of Christmas.

Lunch is at **Val du Charron**, very close to Jenny's home! This tranquil venue overlooks the Bovlei valley and has spectacular views.

It has been suggested that we swap gifts at our Christmas lunch.

Please DO NOT SPEND more than R40 on your gift!

Come along and enjoy the day with the Time Out Ladies!

*Jenny's amazing garden
is outside Wellington!
A show piece worthy of
seeing again-and-
again!*

*Thank you all for making 2012 such an
exciting & stimulating year for Time
Out. Good wishes to you & yours for a
restful Christmas and Happy New Year.*

Thursday 31st January 2013

Are you keen to enter items in your new 2013 diary??

Well, here is one:

Thursday 31st January

is the *first*

Time Out Ladies Club

Outing for 2013.

As yet I do not know where we will be going.....but I will get onto the planning in the next few weeks, before Brian and I close our office for a few week's break in December!

SOME GENERAL INFORMATION FOR YOU

- Transport costs have risen! Sadly, Hylton Ross has given us the news that our coaches will rise in price by 8% from 1st November 2012.
- As you know our country fuel price has risen over the past year, and our price with HR has remained static so this increase was expected!
- All I have ever tried to achieve with our monthly trips is that you have a fun day; meet new friends; and enjoy the Western Cape along with me, all at the best price possible.
- I have to become a 'negotiator par excellence' in order to make your days out with Time Out more affordable!
- This will, as always, be my pledge for 2013! (To the best of my ability).
- Let us try to put the high electricity prices, wage demands, increasing food prices and crime to the back of our minds and have *fun*!

WHAT TO DO IN 2013?

Planning for 2013 will start shortly, so if you have any specific thoughts on where you would like to go, please contact me so that I can include this in the planning.
