Durbanville.

Dear Jana,

It is with great pleasure that the members of the Time Out Ladies Club have collected cash to an amount of R6000, and were able to purchase various items which will be handed over to you today.

- 23 Stationery packs for the children of the home
- 23 Lunch boxes and cold drink bottles
- Various sports equipment

We trust that these items will come in handy in the New Year of 2015 and wish all the staff and children at the home a very blessed Christmas and joyous New Year.

With love,
