## Lowensvlei Farm & Noop Restaurant

Our trip to **Lowensvlei and Noop** was both an informative day and a very happy way to end the year. The beauty of **Lowensvlei** proved to be a joy to look at, despite the walk in a strong South Easter wind! "Amazing how such beauty is so close to the city and we don't even know about it" was heard!

**Noop** pulled all the strings and we enjoyed a lunch of note. Their staff are extremely well trained and the way they served us was fantastic—full marks to them all! Their portions of food were unreal in today's standards! Those who chose the Duck Salad were astounded by the size of the plate of salad—"Wow could have been my main course" was heard!

The Kingklip was equally delicious. Full marks to Zian and his staff at Noop—definitely a restaurant worthy of returning to in the not too distant future!

## JANUARY & IT'S TIME FOR PATERNOSTER

I have 'discovered' a function venue on a farm near Paternoster. Gelukkier is not just a place, it's an Experience. Gelukkier also offers accommodation.

They will be preparing "Fire Food" for us in January 2016.

- Gelukkier (Luckiness—direct translation) the farm
- Fire Food (Gesellig - Comfort food around a fire)

There will be time before we go to Gelukkier to browse Paternoster and perhaps even take a stroll along the beach!

From our desk to your homes - Brian and I trust you will enjoy a magic Christmas and we wish you every blessing for 2016.

Our office will be having a "rest" from Friday 11th December to Monday 12th January!  
We look forward to sharing the exciting tours we have in mind for the New Year, with you all.

### News from Mary Honeybun

I had a long chat recently with **Mary Honeybun**. What an exceptional impact she has made on the lives of the recipients of wheel chairs and other mobility devices. Over the past 8 years Mary has donated 573 units—her aim is to bring the number to 600 by April 2016!! If you have any bread tags @ home, and need to get them to Mary, let me have them and I will do the honors! She needs each and every one ladies! Mary is so proud of this photo @ left showing one of the little people who now has improved quality of life due to a donated wheelchair.
