Out & About in PATERNOSTER

How amazing to have a FULL coach for our trip to Paternoster on Thursday 28th January. All eager beavers to see each other again after the almost 8 week gap since our last coach trip. Our coach trundled along the R27 up the West Coast road. Just after Yzerfontein we hit the first of "3 stop-and-go" road works! Oh my goodness this delayed us about 30 minutes each way—but excellent to see that the roads are being maintained! We had a short stop in Paternoster - some went shopping ; some had a beach walk ; some went to the Paternoster hotel and sat outside enjoying a drink!

All too soon it was time to go out of town to Gelukkie - a new function venue where they specialize in "Fire Food"! This concept has everyone relaxing and enjoying the outdoor garden - so cool and inviting! At about 2.00 pm AN announcement was made that lunch was to be served. Some had Crayfish / some enjoyed Chicken and Mussel Paella / and some had Portuguese Chicken with Chorizo, Paella - all served with lovely platters of green salad! A decadent Meringue & Berry ice cream cake arrived and this was pronounced "Moreish" - all in all an excellent day spent catching up with friends—"An excellent day out in the country"

"To move, to breathe, to fly, to float; to gain all while you give; to roam the roads of lands remote; to travel is to live."

— Hans Christian Andersen

Bakenhof & Floreal Brasserie

The **Bakenhof Wine Estate** grows grapes for the export market! Time Out went there in 2010 and I have been requested to go back there. You will have the chance to pick your own grapes - R20 for 1.5kg box OR purchase them ready-picked! **Bring your own secateurs if you wish to pick your own grapes!** We will spend a short time at Bakenhof—there is a new function venue available since we were last there. Cool drinks will be available on their deck with views to die for!

After this we go to **Floreal Brasserie @ the Marianne Wine Estate** on the R44. Here Ian Lilley and his wife have re-opened what used to be Rosemaries Restaurant! Ian has had a very colourful career as a chef working at many top restaurants in the UK. It was only when he met his wife who hails from Malmesbury that he decided it was time to come and live & work in the Western Cape!

He will be preparing an interesting lunch for us. "Our food is based around a modern European style using the best local products in season, working closely with local suppliers based in Stellenbosch and Paarl"

***Cost for the day, which includes transport
and 2 course lunch, is R440 per person***

It's time to go to the RIEBEEK VALLEY

I am busy putting together a Time Out trip to the Riebeek Valley. This day will include a visit to the Riebeek Valley Nursery ; some gathering in Riebeek Kasteel coupled with lunch at a new restaurant.

Some snippets of information

- **Booking & Payment Deadline**

I always have this date in the Newsletter which indicates when you need to book and pay by! Restaurants always require a 50% deposit once I give numbers attending, so you will realise that I am committed to pay for the numbers I have given.

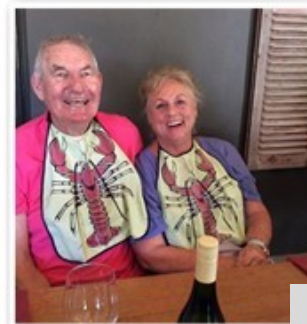

- **Price Increases**

I have previously mentioned that the price of our coaches has risen at the start of the New Year as has our meals (and just about everything else in our daily lives!). This is out of my control and I trust you are all aware that I do always endeavor to get the very best price from suppliers to give us an overall good, well priced day out!

- **Approaching 7000 bookings:**

Thank you for your tremendous support over the past 15 and a half years—We are nearing our 7000'th booking in Time Out and Traveltime!! Wow watch this space—you might be the person who does this booking and the bells will ring in our office with a special surprise for you on the day of your trip!!
