JUNE 2016

*Time out visits Imibala
in Somerset West*

The ladies went to Somerset West in May! The **Imibala Trust** in Bright Street, a main road in Somerset West, is a good place to visit. This was all set up by the Rupert family. They help underprivileged children with personal recognition—to know 'they can make a difference'. To achieve this, funds are generated by the Imibala Restaurant / the Art Gallery on the property / and also a very upmarket gift and décor shop—Arabesque! On arrival most of the ladies enjoyed coffee in the outside area which is to become a fabulous pizza/light meal restaurant in Summer 2016. After this they were able to shop at many stores including the **Chelsea Village** nearby. We were delighted that **Pat Visser** who now lives in Kleinmond was able to join the ladies to lunch!

Lunch was superb! Nicole Dupper makes sure of this—with her illustrious career in top restaurants we were spoilt rotten with our lunch! After lunch we were invited into a drama class where they teach the children drama/music & art.. All in all, a day that was thoroughly enjoyed by all.

June***Ever Had Lunch in a Brewery?****DARLING BREWERY is the place to be!*

Time out has not visited Darling since February 2011. There have been many changes in this little dorpie!

Several new businesses have opened—

- **Darling Sweets** which have expanded into a new house. They make unique toffees with names suited to Darling—Tannie Evita's classic toffee / Red wine and Chocolate. We will enjoy a tasting of their toffees in the morning!
- Some of you might never have visited the **Museum or Evita se Perron!** There is also a new **charcuterie person (The Flying Pig)** in town—time to visit all! I'm trying to visit **Ud-derley Delicious** the local cheese maker lady!
- Lunch today will be at **Darling Brew**. This brewery, with restaurant attached is something very different! Some of the names of their beers are **Bone Crusher / Thunder Bird / Sun Gazer**. I never normally drink beer, yet the day that Brian and I did our recce, I thoroughly enjoyed the little tasters and could become a beer drinker! Your lunch will include their speciality cheese platters / cheese and meat platters / or their braai platters! Coupled with dessert.

Food is tasty, simple and served with flair
TRIP ADVISOR April 2016

Ann Barnes passed away on 22nd May. Ann, we will miss you—your soft, gentle nature is how we will all remember you!

I was so very pleased to see how many of you made an effort to go to Ann's memorial service. Thank you - I know her daughters were so very pleased to see us all.

Thursday 28th

July—TIME

OUT IS 16

Time Out turns 16 on Thursday 28th July. Many of you have already booked, so I urge those who have not yet put your names down to do so ASAP.

For the day I have decided to have a bit-of-fun and ask that you all wear a hat! PLEASE don't go out and buy a hat—search in your cupboards—I will have prizes for all sorts of hats! If you really cannot stand the thought of wearing a hat, donations to the Durbanville Children's Project will be welcome.

More details (times etc) will be in the July newsletter. (Now did you think I was going to tell you where we're going??) This is always a surprise, as you know!!

Several ladies have said that they are quite willing to donate gifts so you can all go home with a gift. All gifts are very welcome—by no later than 15th July please.

If you would rather - I am quite prepared to help you and will buy gifts on your behalf. Just do an EFT marked "DONATION—GIFT" and I will do the honours! I am still approaching my usual 'suppliers' to add to the gifts!

Incidentally **ANYONE** who has ever travelled with **TIME OUT** or **TRAVELTIME** is very welcome to attend this luncheon
