AUGUST 2016

This is how we celebrated our day @ Webersburg, when Time Out turned 16 & Traveltime 9

Thursday 28th July and much anticipation was in the air! Cold, rainy weather had everyone arriving warmly dressed. It was suggested that everyone wore hats to celebrate the day & what an effort many went to! Of particular note was Joy with her "SWEET Sixteen" hat adorned with sweets (original); Dawn with her hat which said "ALL THAT GLITTERS IS NOT GOLD"; Ingrid stole the show with her very unusual hat. Three prizes were given but difficult to single out winners as I believe ALL should have won! Brian 'did-his-thing' on arrival when with a sherry in hand we could recount the 'days gone by' of the last year! We were led into the restaurant and sat down to listen to Mel who as MC always does a superb job. Ann Buxton read a poem written by Hilda (which was fabulous) - Carol had her say! Then lunch was served—a roasted tomato and pepper soup with butter fried basil and cream cheese ravioli topped with a fine salad! Mains were slow roasted lamb shoulder with apples & sultanas and rosemary dumplings served with pumpkin fritters & roasted beetroot with feta. Decadent carrot cake with a white chocolate ganache completed the meal. The heavens opened and by 15h30 we realized we could wait no longer for the rain to stop and made a dash to the coach with umbrellas lent to us by Webersburg.

TIME TO GO TO THE HAROLD PORTER GARDENS

August could still be cold with the possibility of rain but the start of Spring brings amazing changes at the Harold Porter Gardens in Betty's Bay. En route we will make a short stop at a place I know you all like—Betty's Bay and the Ticklemouse factory shop where you can buy amazing biscuits and rusks. We will have an early lunch at 12h00 on arrival at the Harold Porter Gardens. After lunch you have the option to enter the gardens and walk around.

A lot of the plant material used in the recent Chelsea Flower Show came from Harold Porter. If the weather is bad we will watch this short presentation before we leave the park at about 15h00.

Make sure you book early—after a longish, wet winter I anticipate that this tour will be popular.
