OCTOBER 2013

WE VISITED THE SPICE ROUTE

In September*Report Back On The Day Out*

42 ladies enjoyed the day out in Paarl. First stop was Fairview where some shopping for cheeses/ wine/ and a new Grape, Rooibos, and Pomegranate juice were popular with the ladies. 30 of the ladies learnt more about chocolates at DV Chocolates. The others visited the Grappa distillery (Wilderer); tasted beer at the Cape Brewing Company and watched glass being blown at the Red Hot Glass Studio. Our lunch at the Spice Route Restaurant was an excellent choice for ladies—Tender chicken stir fry with fresh Asian vegetables and soba noodles followed by a decadent fresh fruit dessert with meringues and berry ice cream! A VERY RELAXING DAY OUT!

Greyton celebrates their annual Rose Festival on the 25th & 26th October. We visit the week after the Festival but on our tour to Natal, I met a lady who just happened to be on the committee for the Festival, and she has arranged that **two of the gardens will be available** for us to visit.

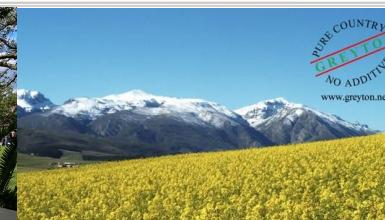

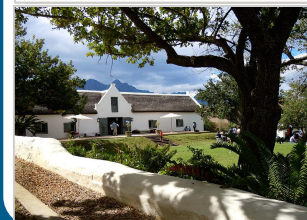

There will be time after the garden visit to **look at the fabulous shops** in the village. **Lunch is @ The Oaks Estate** just 12kms out of town! Hopefully the weather will be good to allow us to enjoy lunch under their Oak Trees! (*Plan B: is inside in their function venue!*)
