JUNE 2017

Are you like me - wondering where the last 5 months have gone?

With Facebook and the media saying how many Tuesdays there are until Christmas, we are living in 'rushed' times - and who said

"Retirement is for Relaxing!" -

Say no More—we do things in life out of choice and everyone says we "Must enjoy each and every day" - **WELL I DO—Hope you do too!**

Talking about happiness—don't the 2 Ingrid's and Bridget look stunning in the above photo?? (Taken outside Magic Minerals in Philadelphia). One thing that we can all count ourselves so fortunate, is the degree of happiness that exists amongst you all on our coach trips. Our may trip started in Melkbosstrand at the new Blessings Shop in 11th street where Welma told us how her and husband & family have started their farm De Fynebosch. (Our trip to the farm changed because of bad access for large coaches!) —We enjoyed tea/coffee and (lavender) scones—yes something went wrong here—Welma 'forgot' her promise to add lavender. Nevertheless the scones were welcoming! We then headed to Philadelphia for a bit of gathering! Then, **Mariella's on Capia Wine Estate** proved to be an excellent choice for lunch—wow their staff are so very efficient! A delicious 2 course lunch followed by 'voluntary' dessert (some ladies shared the truffle platter which was SO huge - whereas some enjoyed the chocolate pot dessert ALL to THEMSELVES) - A very happy day all together not too far from the city!

The Time Out family grows – every crisis faced together makes the circle stronger!

Are you coming to celebrate?

Time Out is turning 17 (Yes, Seventeen years old) - Brian and I invite you to come and enjoy a delicious lunch and celebrate with us.

As always it is a MYSTERY lunch venue

You won't know where we're going until we're there!

Do you know this trip will be our **229th trip with bookings of over 6270!!**

GIFTS FOR OUR ANNIVERSARY LUNCH

As you know when I questioned all the ladies who came on coach trips about gifts, I only received a handful that said they thought we should not have gifts. I **am going ahead with presents** and thank those who already have given so generously.

If you would still like to give something – either add cash to your June Outing payment and I'll buy a gift - or bring your gift along on the June Time Out trip. (As you can imagine I would rather receive gifts by the end of June to enable me to sort them out—wrapped & ready by 27th July)

Thursday

31st August

Where have all the Boeremeisies Gone?!

Come on our trip in August and meet **Elsabe du Plessis** who, once her 5 children had left home, found herself with 'time on her hands'! Her husband Niel had harvested a batch of pinotage grapes and she started experimenting, making 'pinotage jam'!

Today, with the ladies on their farm in Wellington, she has a thriving business with all sorts of unique jams! Meet her and find out what the ladies of Wellington do with their spare time!
