AUGUST 2017

Time Out is 17 & Traveltime is 10

What a happy start to the 27th July! Great excitement as we headed out on our Mystery Trip and headed to **Longridge Wine Estate**. We had such a beautiful day and **Longridge shone in all it's glory!** Their staff were on hand to serve a port or graptiser out in the sunshine! Everyone was in high spirits ; gifts laid out on the gift table; chefs working in the kitchen—perfect start to the celebrations! Mel in her usual 'graceful way' welcomed everyone ; Brian then set the dvd in motion and much laughter and happiness was heard; Carol then thanked everyone—awarding 3 special ladies who, in her opinion needed extra Time Out, with especially made Time Out Pillows! (Winnie/ Bridget & Thyra) - What a happy day.

Our lunch

Starter was a winter squash soup, cocoa Chantilly & croutons, served with homemade bread.

Mains were a choice of **Pan Roasted Line Fish**, pomme puree, garden greens & a citrus sauce OR **Braised Free Range Beef short rib**, Jerusalem Artichoke Puree, Potato Gnocchi & Bone Marrow (Oh how delicious this bone marrow was!)

Dessert was a slice of our decadent birthday cake which was a chocolate mud cake with a cream berry icing decorated with chocolates and donuts!

Where have all the Boeremeisies Gone?

Join our trip in August and meet **Elsabe du Plessis** who, once her 5 children had left home, found herself with 'time on her hands'! She started making jam and now has a mini industry operating out of her son's wine estate in **Wellington (Imbuko)**.

We will do a jam tasting of her Pinotage/Merlot/Cabinet Sauvignon Blanc Jams! Lunch will be in Paarl at a restaurant in an old Blacksmith's Cottage, the **Blacksmith's Kitchen**. Brian and I recently enjoyed such a lovely lunch at this restaurant on Pearl Mountain.

Come with me to experience Country hospitality

SINCERE THANKS!

I need to say a **HUGE thank you** to all who contributed to the gift voucher received from Canal Walk after our luncheon.

I am humbled by this very generous gift—I felt quite emotional when Marie visited our office and gave us the voucher! Both Brian and I do the work we do to arrange these tours, because we both are compelled to make your lives (and ours!!) more enjoyable!

Once again, THANK YOU one and all—the voucher is much appreciated—we will enjoy THE SPOIL!

Day @ Anna Beulah Farm

The Anna Beulah Farm is just 22km outside of Cape Town just off the N7 and close to Durbanville. This farm 'tweaked' my interest!

Born from a desire to grow organic goodies sustainably, we began our veggie garden in 2013. A place for locals to pop in, take a walk through the garden and actually pick their own veggies! Sometimes a haven for those who need to exhale, our garden has 'grown' into the best kept secret; offering truly organic seasonal fruit, veggies and herbs that won't break the bank.

More about this trip in the September newsletter.

CONTENTIOUS ISSUE ?

After the anniversary luncheon I received a few complaints that Constantia folk got home late. (6:15pm)

This led me to do an exercise

Over the past 7 months we have collected **Constantia first 4 times** and dropped off 2nd 3 times ; likewise **Tableview has been collected first 3 times** and been dropped off 2nd 4 times.

Speak to anyone who regularly uses our highways and roads and you will be told traffic has increased in huge volumes and road works (over which we have no control) have ALSO increased.

TELL US PLEASE HOW TO SOLVE THE PROBLEM!

Your input is required, emails welcome

I NEED YOUR HELP!

As I mentioned on the anniversary lunch I often get cancellations where someone is ill, and just can't make the trip - they are prepared to offer the trip to a deserving person.

H.E.L.P ME please, let me have names of deserving people who I can contact at the last moment when this happens!
