Important Information

N.B. 2: Dune Hoppers are not based on exclusive charter. There might be other passengers travelling as well. The same accounts for inter-lodge road transfers.

N.B. 3: Exclusive charters can be booked on request (at additional cost) and departure times would be completely flexible. Such tours would then become a "Wings to Wolwedans & Sossusvlei" package. Combination of Dune Hopper and private charter - if need be - can be arranged.

N.B. 4: Flights can be, but are not guaranteed to be direct from Eros/Swakop to your final destination. Stop-over's en-route (to pick up or drop other Dune Hopper.

passengers) at other airfields in the area can occur, however maximum travelling time from A to B will be less than 2 hours in total. The same accounts for road transfers from any of the Sossusvlei lodges to Wolwedans (no private transfer!!!)

N.B.5: Please note that the Dune Hopper departure times are flexible. We will endeavour to keep to our indicated departure times but clients need to know that last minutes changes are possible. If clients are not flexible then the charter flight option should be considered.

N.B.6: All Rates (include Single Supplement) are fully commissionable.

N.B.7: Luggage restriction 10 kg per person in soft bags, subject to client's weight and balance prior to travelling.

N.B.8: We do not charge Single Supplement for the flight portion and a Dune Hopper Package that will be confirmed by one person.

N.B.9: Airport taxes are excluded and subjected to change.

The Dune Hopper is a daily scheduled air taxi to and from the Sossusvlei area with fixed times.

For one or two people this scheduled air taxi (based on fixed seat rates) from Windhoek and Swakopmund to the Sossusvlei area and Wolwedans, is the answer. The service is offered by Nature Wings and seats can be booked directly, or through a tour operator. Chartering a private plane provides you with a greater deal of flexibility. You travel when it pleases you, no need to adhere to rigid schedules. Chartering a Cessna 210 makes sense for three or four people and a larger plane for bigger groups. Charters normally take you to other destinations as well. You can also book a combination of charter and Dune Hopper. Whether you opt for the Dune Hopper or book a private charter, you will enjoy a unique bird's eye view of Namibia.

The rates and departure times are subject to change without further notice – please always ask for current schedule and rates.

*The above packages are subject to availability at the time of booking.

Please take note:

- **Due to safety reasons, STRICTLY 10kg per person in soft styled luggage are allowed.**
- **Travelling guests are required to indicate their weight.**
- **Any luggage or persons above the restricted weight may require the use of an additional aircraft – which lead to rate increases.**
