## Our day in Paternoster & our 2nd visit to Mondvol, just outside Paternoster

Our day on the 31st May will allow some time to browse the village of Paternoster. We should arrive there by about 11h15 - this will give you enough time to have a coffee / a short stroll along the beach, and by 12h30 we will head out of town to **MONDVOL**. Here Alex and Charmaine have opened a new restaurant cum coffee shop'. Remember how they treated us when we visited them in 2013 at their old restaurant, on the way to Trekkoskraal (along that sand road!!). Now they have moved closer to Paternoster and I believe it's good to support this young couple in their new venture!

**The NEW Mondvol Restaurant outside Paternoster**

I recently attended a morning wedding reception at this lovely venue. Beautiful open flowing structure with large veranda set in tranquil country setting. The food served at the function was not only tasty and very freshly prepared but presented with an understated elegance.

Thursday

28th June

*Come with me to Kikka in Paarl*

**Kikka** has always been in Paarl Main Road with their divine flower shop. Now expansion has seen them opening a new restaurant in the **Old Paarl Prison called Kikka Boulevard**. We start our morning at the flower shop with a demonstration of the making of a posy, followed by lunch at the new **Kikka Boulevard**. More details in June.

**ZEITZ MUSEUM—SILO HOTEL— Wednesday 16th May?**

On our train trip to Elgin on Sunday 29th April several of you chatted about visiting the Zeitz Museum.

On a Wednesday South Africans get in **FREE** to the museum.

**Let's DO IT one Wednesday real soon!!**

This is just an extra item added to our program—I will not hire a coach—let's share lifts and I'll find somewhere with Winter specials to enjoy lunch at the Waterfront after our museum visit! (I'll just co-ordinate the bookings).

**For those of you who would like to do this contact me ASAP**

**I am suggesting WEDNESDAY 16TH MAY**

**JULY 26TH—TIME OUT IS 18**

**It's time to, once again, celebrate our birthday**

I would value your opinion - Each year I have tried to get donated gifts to hand out for presents. With corporates this has become almost impossible! I would like to suggest that we don't have gifts this year and instead all give a donation to a charity

**'FOR IT IS IN GIVING THAT WE RECEIVE'**

Let me have your opinion ASAP p.l.e.a.s.e!

*I had a lot of fun calling back the past!!*
