## Our day spent at KIKKA MAIN & KIKKA BOULEVARD

What excitement—We had the brand new Hylton Ross 32seater coach to use for our trip to Paarl today. Hanlo, our coach driver was as excited about his new 'baby'! It is a very comfortable vehicle and visibility so much better with new improvements. What was also impressive is that a few of the seats even have a cell phone charger under the seat! Modern technology at its best!

First stop was **KIKKA MAIN** where Karika and Ronel met us and ushered us into their function room where tea/ coffee was served with a carrot cake muffin. Karika then proceeded to make up 2 posies with lovely material - she also made it so interesting as she gave us snippets of the town of Paarl from her parents protea farm which sadly burnt down in the bad fires last year / to how her husband, AB, started making the AB GOLD product / to how they started negotiations to use the OLD PAARL PRISON to convert into a restaurant!

Winnie and Laura were the winners of the 2 posies and Karika donated 4 bottles of AB products to other lucky prize winners! We then got back into the coach and headed down to **KIKKA BOULEVARD** for lunch. We were served bread platters with jam and butter (or as Laura said BUTTER with bread is how she prefers to eat this!) and a delicious

smoked Beef Brisket with a layered potato dish and delicious vegetables. It ended up being a laid back luncheon and we were finished by 14h15 and there was more than enough time to chat outside for a while!

Dennis was thrilled to see an old 'friend' from his Paarl days and he beckoned him over to meet Laura

## Let's check out the Theewaterskloof Dam water level

Thursday 30th August

We've all been very aware of the extreme drought Cape Town has experienced and I am very keen to see the Theewaterskloof Dam, NOW THAT WE'VE BEEN HAVING SO MUCH RAIN! Maybe by the end of August, it might just be full again. I have found a farm / guest house near the dam called ROUXWIL who will host us for lunch.

I still post a handful of newsletters, and last month  
**THE JUNE NEWSLETTERS WERE NEVER DELIVERED**  
**We can NO longer rely on the Good OLD GPO**

**I have an idea—you all have family who are computer literate  
(or even your grandchildren)—ask them to print out the  
monthly newsletter for you).**

As you are all aware we are not having gifts at the Anniversary lunch this year!

In my survey, most of the regulars said

**“WE ALL HAVE MORE THAN WE NEED”**

I agree with this - Recently I went to a breakfast for Michael Academy in Tableview, a Non-Profit NGO which caters for autistic children.

I am suggesting that any donations you wish to make be donated to this school

**If you are willing, either add your donation to your payment**

OR

**You are welcome to give me the CASH in an envelope on the 26th July and  
I will do the honours and arrange the donation from  
Time Out and Traveltine**

**Read an article on the school - <https://www.tabletalk.co.za/news/michael-academy-aids-early-development-5378428>**
