

Anna Beulah Farm – an unique day out!

## ANNA BEULAH FARM THURSDAY 27TH SEPTEMBER

On the corner of Vissershok and Contermanskloof Road-Durbanville (near the N7 highway) there is an unique farm which was started years ago. **ANNA BEULAH FARM**. Their main aim was born of a desire to grow organic vegetables and so a large vegetable garden was planted in 2013. A place for locals to pop in, take a walk through the garden and actually pick their own veggies! This garden has 'grown' into the best kept secret; offering seasonal fruit, veggies and herbs that don't break the bank! They have a small 'restaurant' that Hendrik is in charge of. He is an extremely enthusiastic man and there have been changes in the year since we last did our recce - 2017. Hendrik's wife Martie also has a hand in the business and offers painting on pottery! We will start our morning off arriving in time for a cup of good coffee and a muffin. **Those of you who wish to, can then get 'busy' painting with Martie (R100 will get you a lesson/you will paint either a mug/bowl or small plate/includes glazing).** There is also the option of going out into their vegetable garden where their staff will help you to pick fresh vegetables (Fresh beetroot/ broccoli/green pepper/butternut/lemons/mint and even take a tray of fresh eggs home with you!?) **OR you are encouraged to take a walk and chat to the resident donkeys / lamas / horses / sheep!** Nothing beats the smell of a farm, so come along today and enjoy a day in the country!

How many of you remember **Tanya Fourie**? Our top South African model who has lived and worked in Paris for many years - well, she is a Director at Anna Beulah, an NGO that runs a community farm and a little school for children from the local farms. More than that I cannot say but come along with me today and let's help this small farm and enjoy ourselves at the Same Time!

Tanya Fourie
