OPSTAL

Opstal Restaurant & New Happenings in Breedekloof

OPSTAL RESTAURANT & BLOOMIA TULIPS

THURSDAY 29TH NOVEMBER

Situated in the breathtaking Slanghoek Valley only 10 km from Rawsonville, finely prepared food is part of the **Opstal experience** @ **The Opstal Restaurant**!

The Estate offers visitors a place to enjoy top notch cuisine and superb wines. Stanleys innovative wines are complemented by a generous selection of their Breedekloof counterparts, and while our menu is seasonal, the welcome and personal attention visitors enjoy remain unchanging. Only an hour from Cape Town, the estate is also a popular venue for functions.

Forever popular in the annual **Soetes en Sop** festival, we have often visited this Estate and it has a special place in our hearts.

In the morning before lunch we will go to **Prominent Tulips** (last visited in 2011) and now a wholly owned American tulip farm!
