## Let's Discover Malmesbury up the N7

End of January is bound to be HOT wherever you go – and today Malmesbury, was no exception. Our first stop was a new development in Malmesbury called **Bill & Co.** It has a Bistro, Wine Bar, Craft Beer, and I believe soon-to-be installed Gin-Bar. There is also a vegetable section which sells fresh veggies from the farm including butter and large chickens.

They chatted to **Kotie** who had come especially from Darling for our group. She cultivates the most wonderful mushrooms.

At 11:45 we headed off on a drive around town and visited No 14 Faure Street which is an extremely well-kept **144 year old house**. We sauntered around the garden and met some of the staff who showed us the back garden. At this stage of the day it was getting very warm – probably around the late 20's or even into the 30 degree mark! Our next stop was the **Cherry Lane Bistro and Gift Shop**. Our lunch was very good – albeit under the trying circumstances of the hot day a few errors crept in with service! However, most said they had thoroughly enjoyed their lunch (albeit huge portions) and many portions went home – this is country hospitality for you!

Mains were a choice of Cherry Lane Burgers/ Chicken Schnitzel / Veg stir Fry and Chicken Pie!

Dessert was a choice of Fruit Salad & ice cream (the most popular by far); Lemon Meringue which would break any diet; Carrot cake and Chocolate Brownies with ice cream.

30 + degrees in Malmesbury  
and yet we all had such a GOOD DAY!

## The Singing Cook @ Rivendell

ANTONIA SERENADES GUESTS DURING THEIR MEAL

Time Out went to Rivendell in October 2015, and it's time to go again! The Restaurant has changed hands and Antonio and Louise have taken over.

Expect to be serenaded by Antonio with some Italian arias or even a few Dean Martin songs!

Talk about "Singing for your supper (lunch!!)"

En route to lunch we will go into Kleinmond where you will have the chance to take a walk and stretch your legs & enjoy this little town!

There are several interesting little shops and I will be able to point you in the correct direction.

Kleinmond is known as **THE SMALL TOWN WITH A BIG HEART**—meet Belinda Leontsinis who runs a Ceramic studio (Belinda says "I cant wait to get to work").

There's a Pottery Gallery where you can browse ; a nursery where they have great plants to buy and a coffee shop all in the same building!

**Trip Advisor—The Singing Cook, Rivendell. New owners Antonio and Louise. An absolute lovely setting, food and service. Classy**
