## Mystery Venue Tour

6th December, 2020

**Our Venue is a wine estate which has a long history dating back to 1793. Early family custodians of the land knew of the rich water source here and the potential to produce bountiful and highly sort-after harvests.**

Situated in the world-famous Cape Winelands region of Stellenbosch, the farm is 200 hectares with 62 ha under vines and are yours for rambling, exploring and relaxing, making way only for the estates outrageously flamboyant permanent guests-peacocks that strut and flair their tails.

**2020 has not been an easy year** for most of us and given that this tour is the 10<sup>th</sup> of its type, we have decided to run our normal “guess the venue” competition, **but** to make it easy to name the venue and restaurant from the information provided in this announcement.

### One and only clue:

The venue name is derived from “**GRUNT CORNER**” (translated from the mother tongue, **two words of 4 letters joined into one**) and we will have a great lunch at the restaurant, the name of which can be found if we don’t “**BOTHER COWS**”. (Re-arranging the letters in this anagram into the restaurant name):

### Venue Name:

--	--	--	--	--	--	--	--	--

### Restaurant Name:

T								H
---	--	--	--	--	--	--	--	---

**To enter the competition** please email the venue and restaurant names to:  
[brian@traveltime.co.za](mailto:brian@traveltime.co.za) or WhatsApp or SMS to **082 901 9165**

**All correct answers received before close of business on Friday 27th November will be entered into a “random name generator” to select the winner of a complementary “Mystery venue tour” for one person on 6<sup>th</sup> December 2020.**

**Price for this one day tour including transport and lunch is R530 per person**
