**TIME OUT
&
TRAVELTIME**

Time Out / Traveltime only use luxury air-conditioned vehicles, so your ride is always comfortable.

We prefer to use 3* or 4* guest houses on "away trips" so your overnight stay is always exceptional.

We source places that are generally not on the tourist route and this allows you to meet the people who live in these areas and experience their way of life.

Pick-up points for our day trips are in Constantia Village Shopping Center and Tableview Pick 'n Pay. Additional pick-up points will be established as activity increases in new areas.

On Traveltime trips we arrange for you to be collected at your home.

The main focus is on meeting new people and cementing friendships, so we always strive to select the most interesting destinations and venues and to negotiate the best service, accommodation and meals in the current economic climate.

Time Out Ladies Club

Established July 2000

Carol Coombes founded the Time Out Ladies Club out of the need to meet people and to share her love of the Western Cape with other like minded people. The main focus being a monthly outing in a luxury coach, to interesting destinations, to discover previously unknown facilities—offering goods & services of interest to people. Lunch in a select venue ensures new and existing friendships can be nurtured.

We have celebrated our 21st anniversary of Time Out and 14th celebration of Traveltime in 2021. Make sure you are part of future outings by calling Carol today!

Traveltime

Established July 2007

Carol's activities in the Time Out Ladies Club proved the need for ***week-end and longer outings for couples and singles.***

Traveltime was formed in March 2007 to take care of single day and weekend coach tours, time away to visit exciting places which tourists never get to see; and all these ***not only for ladies but for husbands, partners & friends.***

The “week-end” away soon expanded into 4 & 5 day trips, with our signature trip of 9 days taking place in June 2009 when a group of 16 visited ***Namibia.***

A truly awesome experience which we can recommend to travelers of all ages. We will definitely repeat this again soon.

Our trip to ***Sutherland*** has become an annual pilgrimage, allowing us to experience extreme cold, clear skies, spectacular stars, good food and exceptional hospitality.
