### TRAVEL WITH A PURPOSE!

Discover Namibia's four deserts in the south of the country. The undulating and vegetated dunes of the Kalahari Desert; the rocky plains and majestic Fish River Canyon of the succulent Nama Karoo; the majestic star dunes and surreal vleis of the Namib Desert. Interspersed with game drives and fun, this tour provides unequalled landscapes.

### DAY 1 | SUNDAY

#### KALAHARI DESERT

Leaving Windhoek, we travel into the largest sand mass on Earth, the **Kalahari Desert**. The Kalahari is a vast semi-desert of wind-blown sand held by a sparse mantle of thorn scrub making it the most extensive continuous stretch of sand covering 9 African countries. Unlike other true deserts, the Kalahari does receive erratic rainfall. For many therefore "thirstland" is a more fitting description. Lacking permanent surface water, the Kalahari is a challenging place to live except for those who have adapted to not only survive but flourish here. The Bushmen refer to it as the "Soul of the World", an emotive description for this area! With its deep red dunes and endless grass plains interspersed with acacia's and shrubs, it is still home to a surprisingly large amount of specially adapted wildlife. Enjoy the opportunity to experience the red dunes, wildlife and plants, in this desert environment on an optional nature drive (*On the Superior version this nature drive is included*).

**Classic**                      **Intu Afrika Collection**

**Superior:**                **Intu Afrika Collection – light lunch, Dinner (incl. selected local beverages) & Nature Drive in the Kalahari**

## DAY 2 | MONDAY

### FISH RIVER CANYON

We continue south through arid and extensive rocky plains. Visiting the unique Garas quiver tree forest where you are welcomed by quirky human-made sculptures of scrap metal which set a contrast to this serene, timeless space with Quiver trees and aloes nestled amongst huge dolerite boulders, stacked mysteriously, the area is also aptly referred to as “Giant’s Playground”. We continue to our lodge, situated in close vicinity to the Fish River Canyon. Here we can explore the area on foot or an optional guided nature drive in the later afternoon highlighting the Quiver trees, rugged landscape and impressive sweeping rock formations.

**Classic:** Canyon Village – Breakfast

**Superior:** Canyon Lodge – Breakfast, light lunch, Dinner (incl. selected local beverages)

## Day 3 | TUESDAY

### LÜDERITZ

Our morning starts on the edge of the **Fish River Canyon** where we gaze into this magnificent geological phenomenon. The Fish River Canyon is located in the northern part of the Nama Karoo and is the second largest canyon on earth, featuring a gigantic ravine that measures in total about 160 km long, up to 27 km wide and in places almost 550 meters deep. The Fish River is the longest interior river found in Namibia, but its current flow is just a drop compared with the immense volume of water that poured down its length in ages past. We continue our journey past the Naute dam, where we shortly stop at the Naute Kristall Cellar and Distillery, to taste some of their unique liquors (*optional*) or simply enjoy a delicious cup of coffee. Proceeding onwards we head towards the coastal town of Lüderitz. On the way to Lüderitz, we stop at Garub, which is the viewing point for the **Wild Horses of the Namib Desert**. Arriving in Lüderitz we head towards the coastline and take a scenic route along the “Große Bucht”, enjoying the fresh sea breeze, while stopping for a quick picnic. Returning to Lüderitz we check into our guesthouse.

**Classic:** Obelix Guesthouse– Breakfast

**Superior:** Lüderitz Nest Hotel Deluxe Room – Breakfast, light lunch, Dinner (incl. selected local beverages)

## Day 4 | WEDNESDAY

### NAMIB DESERT

After an early breakfast, our morning starts with a visit to **Kolmanskop** ghost town. Kolmanskop is a deserted Diamond Mining Town in the Sperrgebiet National Park. Once an opulent and decadent town, a monument to the Diamond boom and built to last...until the diamonds ran out. Today Kolmanskop stands as a haunting monument to the thriving past, offering visitor’s unique photo motives into a bygone era. We continue across vast open plains, stopping for an optional light lunch (*included in the Superior tour*) in the countryside town of Helmeringhausen before continuing further north along with the Tiras Mountain range to our lodge in the Namib Desert. We are located close to Sesriem the gateway to **Sossusvlei, Dead Vlei and Sesriem Canyon**, with some of the highest dunes on Earth towering over the white desert plains. The afternoon can be spent relaxing at the sparkling pool, enjoying the vast open desert plains, or taking part in optional activities offered at the lodge.

**Classic:** The Elegant Desert Lodge – Breakfast

**Superior:** Sossusvlei Lodge – Breakfast, light lunch, Dinner (incl. selected local beverages)

## DAY 5 | THURSDAY

### NAMIB DESERT

The morning demands an early start. Entering the Namib Naukluft National Park shortly after sunrise, the first rays of sunlight paint the mountains of sand into a variety of apricot, red and orange, contrasted against a crisp blue skyline, enrapturing our senses, and providing an opportunity to capture this impressive landscape on film. You will be captivated by the surreal **Deadvlei** surrounded by some of the highest dunes on earth and **Sossusvlei**, where the dry Tsauchab River ends abruptly amongst dunes. Take the opportunity to walk up one of these majestic dunes to admire the desert landscape beneath. After this thrilling experience we visit the **Sesriem Canyon**, a life-sustaining natural phenomenon in the heart of the Namib Desert before returning back to our lodge and cooling off along the swimming pool or with a refreshing drink at one of the quiet retreats located all around the lodge.

**Classic:** The Elegant Desert Lodge -Breakfast

**Superior:** Sossusvlei Lodge – Desert Breakfast, light lunch, Dinner (incl. selected local beverages)

## Day 6 | FRIDAY

### SWAKOPMUND

After breakfast we continue our journey approaching the little settlement of Solitaire on the edge of the Namib Naukluft National Park, feeling like you have arrived in the middle of nowhere, before travelling via the desolate, rolling hills of the Kuiseb Valley towards the Atlantic Ocean. Reaching the coastal harbour town of Walvis Bay, we visit the shallow lagoon, one of the most important wetland areas on the African continent and a RAMSAR World Heritage Site. Over 80% of Africa's lesser flamingos breed in this lagoon and present a breath-taking picture when they appear in groups. Continuing along the scenic route between the dune belt and the Atlantic Ocean we reach Swakopmund, where the rest of the day is spent at leisure. With palm-lined streets and seaside promenades, Swakopmund is a popular holiday destination in Namibia. Its pleasant summer climate and long stretched beaches attract anglers and surfers from all over Southern Africa. For the international guest, Swakopmund is a bohemian mix of German architecture and African rhythms, a laid back attitude with adrenalin activities, misty mornings and desert heat. It is colourful, it is vibrant, but most of all, it is pure fun.

**Classic:** Hansa Hotel – Breakfast

**Superior:** Strand Hotel – Breakfast, light lunch (incl. selected local beverages)

## Day 7 | SATURDAY

### SWAKOPMUND

Swakopmund is often fondly referred to as the "playground of Namibia", it has numerous activities ranging from, adventure to exploring the fascinating features of the Namib Desert and the animals and plants that occur and survive here. Embrace the relaxed pace of this idyllic coastal town while enjoying coffee and freshly baked pastries in one of the many café's. Alternatively explore the rugged, sweltering desert on a day tour, or view this awesome, environment from the air on a scenic flight. Find your inner child and push adrenaline to its limits with extreme adventures such as skydiving over the desert or quad biking and sand boarding on the dunes.
