

Stylish new Venue-Suid Paarl

## We visit VRYMANSFONTEIN in Suid-Paarl

**Thursday 25th April 2024**

We will spend a short time at THE SPICE ROUTE - good to wander and look at the changes and perhaps enjoy a coffee.

We then head for lunch to VRYMANSFONTEIN very close by! We have chosen the **TREE BAR**, a casual alfresco restaurant under the shade of old oak trees - perfect for groups eating together & being outdoors, better in February one of the hottest days at this time of the year in Cape Town.. Think Lebanese style mezze, delicious finger food.

Join us today at the stylish new venue in the Suid-Paarl area - this working almond farm is home to an unique offering in 'the Winelands experience'. Food circles in Cape Town are abuzz with this new restaurant!!

**CAPE TOWN EATS** *says its fabulous and value for money*

**You will note that we have increased our day out price. Sadly, we have been subjected to an annual increase in coach hire, a food price increase as well as a gratuity increase (12%). This is out of our control - apologies!)**

**Cost for the day is R695 per person  
Including transport and lunch.**

**Booking and payment deadline—Friday 19th April, 2024.**

**Coach will leave:**

**CONSTANTIA VILLAGE SHOPPING CENTRE @ 08h45 &**

**TABLEVIEW LIBRARY @ 09H30**
